

Wanborough Neighbourhood Plan

14th March 2016

Dear Parishioner,

This document is the proposed Neighbourhood Plan for the parish of Wanborough and will guide our future developments to 2026. In addition to this document we have made a Strategic Environment Assessment which you can find, together with this plan on our web site www.WanboroughNP.com

We would really appreciate if you could read the documents and send us your feedback by email to wanboroughpc@btinternet.com (a soft copy of the comment form can be found on the website) or hand in your comments to Post Office.

We need to know what you think and even if you think everything is fine, please respond and say so!

The Plan has been put together by a team of parish councillors and people from Wanborough parish. The plan is based on two surveys, two Open forums and we are looking for your final feedback.

Once we have received your feedback, we will update the Neighbourhood Plan and send it in to Swindon Borough Council. They will enlist an independent inspector who will work with us until the document is correct. Once SBC have approved the document, there will be a referendum and the plan will come in force if the parishioners vote yes to the Plan.

There will be one Drop in event on 23 March 2016 at Hoopers Field between 6pm and 9pm where you can get information and ask the team questions.

The consultation period will run from 14th March 2016 to 25th April 2016.

I am looking forward to hearing from you.

Per-Axel Warensjo
